Join us for a fun-filled day of riding over some of the beautiful trails of the North Country Hounds. Teams of two or three riders will leave at three-minute intervals and cover a course of approximately 9-10 miles with hunt jumps. The course will be well marked and all jumps will have a way around them so that you can jump all, some or none of them.

There will be two divisions: Hunting and Hacking. Riders must be part of a 2- or 3-member team. The NCH Master(s) of the Fox Hounds will ride the course to establish the winning time. Winners of the Hunting Pace will be the team whose time most closely matches the time set by the Master(s). The Hacking Pace will be based on the hunting time, but slower. Two ribbons will be awarded to each of the top ten teams, and there will be several special awards. Lunch will be served.

Please arrive between 9:00 and 10:30 a.m. on Sunday to pick up your information packets, sign a release form, and sign up for your departure time. No horse may be unloaded without a current Coggins Test. Please note that the deadline for signing up is 10:30, with the last team leaving around 11:00 a.m. **No late arrivals, please.**

An ASTM/SEI-approved hard hat is required when mounted.
